## RETRACTABLE TOWBAR

# The R10 - always ready to use

The retractable towbar is the luxury version of the towbars. Just one push on the button and it is available - no matter if you want to take a tour with your cycle carrier or if you want to go on vacation with your caravan.

**PRACTICAL | SAFE | COMFORTABLE**

**Comfortable Handling**

**Perfect fit and  
easy to install**

**Maintenance-free**

### THE TOWBAR OFFERS:

- Safe locking thanks to optical and acoustic signals
- System works independantly -> no additional programming of the swivel modul is necessary
- 13 pin car specific wiring kit included
- Safty chain hole easily accessible on the neck (ECE R55 approved)
- Integrated socket holder on the towball neck
- EC approved

**IT'S GENIUS:** The towball can become invisible without having to be removed and stoved away. So you can never lose it!
